* Enrolments include students who were non-examination candidates.

** Up until and including 1994, full-time students were those enrolled in five or more Secondary Education Authority (SEA) approved subjects. Students enrolled in four or fewer approved subjects were classified as part-time. However, in 1995, the SEA resolved that full-time students be classified as those who studied four or more (full year or equivalent) SEA approved subjects.

*** With the introduction of WACE courses there was a change in the enrolment procedures. From 2007, Year 12 students who enrolled in either a Stage 2 or Stage 3 course which had an external examination were automatically enrolled to sit for this examination. As such, the 2007 to 2013 figures are higher than expected.

**** In 2014 and 2015, Year 12 students who were enrolled in at least one pair of Stage 2 or Stage 3 units were automatically enrolled to sit the examination. Year 12 students who were enrolled in three or fewer Stage 2 and/or Stage 3 paired units, and who were enrolled in VET units of competency (from related industry areas) in excess of 220 nominal hours that led to achievement in full or partial qualifications in the year they were completing the WACE requirements were exempt from sitting the Stage 3 examination. Year 12 students who were enrolled in a pair of examinable Stage 2 course units could have opted out of sitting the WACE examination for that course.

***** In 2016, 2017, 2018 and 2019, students who were enrolled in a Year 12 ATAR course were automatically enrolled to sit the examination.
