Student Records Management System dashboard

The School Curriculum and Standards Authority (the Authority) has developed the Student Records Management System (SRMS) to meet its legislated functions for all Kindergarten to Year 12 (K–12) students and schools in Western Australia. The SRMS will manage K–12 student records effectively and improve the Authority’s service delivery to schools and students.

The SRMS dashboard is an interactive monitoring tool that offers many new features and improved functionality for schools. The dashboard provides schools with a live status of the number of registrations, offerings, enrolments and achievements that the school has uploaded to the Student Information Records System (SIRS) and the corresponding missing achievements. This will help schools fulfil their commitments and meet the Authority’s deadlines in a timely manner.

Using the SRMS dashboard, schools can view data about all year groups and curriculum areas and examine details about individual students. This interactive environment is easy to navigate and more informative for schools when uploading and viewing data compared to a static dashboard.

This user guide is for school administrators who will be navigating the SRMS and checking their school’s data uploads.

For information about additional SRMS functionality, please refer to the other SRMS user guides.

The **Summary** screen is dynamic, so it will update with new information each time you complete data uploads in SIRS.

The screenshot shows the Summary screen. At the top left, there are 'Show' and 'Hide' buttons. Below them is a 'Select a provider' search box. At the bottom left, it says 'Last Refresh Date/Time: 17-Dec-24 10:37:18 AM'. The main content area is divided into four panels:

- Registrations:** A table showing estimated and actual enrolments for years Y07 to Y12.
- Senior offerings and enrolments:** A table showing enrolment data for Y11 and Y12, including courses offered, estimated enrolments, actual enrolments, and enrolment variance.
- Senior missing achievements:** A table showing missing enrolment estimates, missing enrolment in course unit/s, missing proposed grades, and missing student declarations.

At the bottom, there are tabs for Summary, Registrations, Senior enrolments, and Senior achievements. The 'Summary' tab is currently selected and highlighted with a red box.
